**Pharmacy Request for a
Follow-up Prescription**

The Rules and Regulations on Controlled Substances, Section 80.68 state that practitioners authorizing emergency oral prescriptions for schedule II controlled substances and benzodiazepines must send a follow-up prescription to the dispensing pharmacy within 72 hours. Such follow-up prescriptions must be issued on the New York State Official Prescription (or a written prescription if the prescription was phoned in from an out-of-state practitioner).

If the pharmacist fails to receive such prescription, he or she shall notify the Department in writing within seven days from the date of dispensing the substance. Such notification shall be mailed or faxed to:
